Pearly Skin

❏ Pearly Skin Product Line

- **Pearly Skin Cream** Function Promotes intensively moisturized and regenerated skin. Skin becomes activated to produce new collagen, preserving elasticity as well as skins volume and tone. Pearly Skin cream also prevents the appearance of fine lines and wrinkles.
- **Pearly Skin** is developed with new science and technology to give the best effect for your look and appearance. This concentrated Silky & Shiny protocol (Pearl Powder, CO-Enzyme 10, Hydrolyzed Collagen and anti-oxidants) is designed to give you the most effective solution to regenerate, nourish and moisturize your skin.
- **Pearly Skin** improves elasticity and helps smooth the skin and maintains the healthy condition of your skin to feel soothed, refreshed and achieve visibly firmer skin.
- **Pearly Skin** ingredients are very rich in nutritious elements, including, minerals, amino acids and vitamins.
- **Pearly Skin** mimics the human body's own mechanism to produce collagen.

The most effective ingredients to support your skin for a youthful appearance:

- **Pearl Powder:** stimulates the production of collagen and elastin while removing harmful bacteria. It detoxifies, accelerates the repair of damaged skin cells and cellular metabolism.. Pearly skin promotes healthy skin development, revitalizes dull skin, thus reducing pore size and polishing bacteria-laden pores.
- **Coenzyme Q- 10:** Coenzyme Q- 10 works as an antioxidant and reduces the damage caused by free radicals. It plays a role in making skin look younger by energizing your skin and stimulating collagen production to provide cells with energy to build collagen and elastin.
- **Hydrolyzed Fish Collagen:** has an antioxidant effect which protects the skin from aging by combating the deterioration of collagen and elastic fibers. Hydrolyzed Fish Collagen acts as a hydrator, which helps to retain skin's moisture, promotes anti-aging & rejuvenation and prevent causes of wrinkles.
- **Arginine:** is an essential amino acid that help to generate collagen in your skin.
- **Hyaluronic Acid:** Hyaluronic acid is a hydration factor that keeps your skin hydrated and moisturized.
- **Vitamin C:** acts as an antioxidant and anti-inflammatory agent. In addition, vitamin C stimulates collagen synthesis and reduces dark pigmentation of the skin.

Body Serum Anti-Cellulite

- Firmer
- More Toned
- Free Of Cellulite

Size 120 ml

✘ Body Serum Anti-Cellulite

Xavair's Skin firming & Anti-cellulite Serum is a lightweight, concentrated penetrating body that directly targets cellulite. It strongly helps to reduce cellulite in your body, thus increasing skin cell regeneration, induce collagen production and increases moisture.

Here are a few of our technological systems as Synthesis-Stimulation Group, Marine Peptide Collagen, Hydrating Factors and Antioxidant Factors:

• Synthesis-Stimulation Group:

Sodium Hyaluronate: promotes skin/blood microcirculation and nutrient absorption. It is a very effective moisturizer and film forming agent, and is able to hold 1,000 times its weight in water.

Caviar Extract: works directly to deliver nutrients on the cellular level. It is very rich in proteins, minerals, vitamins and lipids.

• Marine Peptide Collagen:

Contains a group of peptides that mimic the skin's own collagen-building process skin natural structure and defense mechanisms which rejuvenates skin properties to reduce fine-lines and wrinkles to create a firmer, smoother, more translucent and even-toned complexion. Very rich in proteins, minerals, vitamins and lipids to support cellulite removal. It contains Marine Peptide Collagen includes: Dead Sea Salt 20, Matrixyl 3000, Hydrolyzed Collagen, and Pearl Powder.

Size 120 ml

• Hydrating Factors:

Natural blend of plant-based herbs, teas, oils and vitamins supports moisture acquisition, providing natural hydration for your body all day. Hydrating Factors include: Green Tea Extract, Aloe Barbadensis (Aloe Vera) Leaf Juice, Emu Oil, L-ascorbic acid (vitamin C), (water soluble format of vitamin B Co Enzyme Q 10), Tocopheryl Acetate (Vitamin E).

• Antioxidant Factors:

Xavair's skin firming & anti-cellulite serum contains super powerful antioxidants to protect your body against free-radicals. Antioxidant Factors include: Hamamelis Virginian Extract (Witch Hazel), Apple Fruit Extract, T Agates Extract Flower Extract, Lonicera Caprifolium Flower Extract.

Application:

- Apply every morning and evening to thoroughly cleansed skin.
- Apply evenly to thighs, buttocks, and other areas as needed.
